9	Yes, but I don't want to get up earlier. And why would breakfast be longer than lunch? Lunch needs to be longer. I can barely finish in time, sometimes not.	10/25/2019 5:50 AM
10	Sometimes, as long as a vegan meal is provided	10/24/2019 7:43 PM
11	yes because i can get a good meal than having to rush	10/24/2019 7:42 PM

23	I don't eat breakfast	10/24/2019 2:32 PM

33	yes but i have early morning program so I cant :(10/18/2019 1:35 PM
34	i have breakfast at home.	10/18/2019 12:53 PM
35	It depends on when I get to school.	10/18/2019 11:11 AM
36	I think it would be great because then students will learn better because many kids skip breakfast because of the early start, and it would help students to learn if they were learning on a full stomach.	10/18/2019 10:56 AM
37	Not personally but a lot of other people would	10/18/2019 10:03 AM

Tillicum Student Input on Breakfast and After School Programs

32	I personally think that providing breakfast in the cafeteria at lunch is a great idea because there are so many people that don't eat breakfast in the morning before school (I don't) so I thought that's pretty cool. One last thing, I thought that the offering new after school programs stuff was cool because they are all different so that people who don't like doing what other people do or just don't want to do the activities that are already provided it give them a great chance to have fun doing something that they love to do. ALL OF YOUR IDEAS WERE GREAT!!!	10/25/2019 5:36 AM
33	i wish i can participate in this but i cant	10/24/2019 7:29 PM
34	Have someone to hand out the food every morning or have a stand/table with food and some type of teacher that doesn't have 1st period. If none of those work out, then maybe we can have snack time around 3rd period. Then, all first lunch people can survive 4th period and all the second lunch people can survive too.	10/24/2019 7:02 PM
35	I would like to say that one of these years I will do a after school activities but right now I am just too busy. Thank You (BLANK)	10/24/2019 6:50 PM
36	i would like to have a better group of classmates in some of my classes so i can concentrate better.	10/24/2019 6:45 PM
37	NO	10/24/2019 6:12 PM
38	I don't think that the snack bar is very convenient for the students at lunch because it opens when people want to talk with their friends, so they won't want to wait in the super long line. It's so much easier to just buy snacks and drinks when you buy a lunch. It's also another way to charge for lunch AND any extra snacks. I also think that there should be a different variety of drinks rather than water and soda. I was thinking a bubbly drink that's not as bad for you as soda but fun to drink and not bland.	10/24/2019 6:03 PM
39	i don't like how the school starts so early and jazz band is in the morning, I wish that it is in the afternoon.	10/24/2019 5:55 PM
40	I think that our school should start a cooking club/class because i think that it is a great time for us to learn about cooking and what is good for us!	10/24/2019 5:03 PM

60	I think the school is great. BUT I NEED MORE TIME TO CHANGE MY CLOTHES!!!!!!!!!!	10/20/2019 7:20 PM
61	We need to get rid of the breakfast sandwiches with eggs, cheese, and bacon, because the eggs are gross, the cheese is like plastic, and the bacon tastes like meat flavoured paper. Once i bit into one, and i almost almost threw it up.	10/20/2019 6:00 PM

66	I think that this idea is a good idea, but there are things i think the school should take into account, for example the bus times for each individual stop could pose a problem because the time might not add up to gives the students enough time to finsih eating. Usually when my bus arrives it is 7:30 and im on the earilest stop (which is at 6:50).So just taking into every students situation so that you guys can decide whether or not you want to do it.	10/18/2019 2:17 PM
67	I like Tillicum.	10/18/2019 2:13 PM
68	the activity bus should stop closer to SE 25 st instead of sprite ridge because hardly anyone gets off there.	10/18/2019 2:03 PM
69	I wish i could do breakfast at school it would help a lot with my super early morning routine, sadly I have to be in class at 6:45	10/18/2019 1:35 PM
70	I would love breakfast at school! I did that in summer school to get ahead in math, and I got breakfast. It was so so so so good!	10/18/2019 12:46 PM
